

Strasbourg Bible Camp
Participation Waiver Form - Minors
Informed Consent and Assumption of Risk

IN CONSIDERATION of the minor participant in my care being permitted to participate in any way at Strasbourg Bible Camp (SBC), I have read this Waiver, fully understand its terms. By registering the participants, I have given up substantial rights, and agree, acknowledge, and understand it freely and voluntarily. I confirm that the participant is physically and mentally able to participate in all activities of the camp, unless specifically indicated otherwise in writing or on the application form.

1. I accept all risks relating to participation in all activities. I understand that the programming includes physical activity in the form of a variety of sports and recreational activities. Risks may include personal injury such as: cuts, sprains, scrapes, bruises, fractures, broken bones, concussions, death, or any personal property damage/loss, which may occur while participating at SBC. This includes on-site, off-site, or while travelling. I understand these risks and will not hold the ministry liable for any such injury.
2. I agree to voluntarily and forever release, waive, and discharge SBC and their respective employees, volunteers and representatives, from and against, and hereby covenant not to sue any of them regarding, any and all causes of action, claims, damages, injuries, or liabilities arising out of or in any way resulting from SBC activities or programs.
3. I hereby give permission for the participant to be photographed and videoed during SBC programs or events. I understand that the photos and videos may be used to keep a journal of activities, to share during presentations and for promotional purposes. I understand that although the photograph and video may be used for advertising, the identity will not be disclosed without my permission. I do not expect compensation and agree that all photos are the property of SBC.
4. In the case that I cannot respond in an emergency, I hereby give permission to licensed emergency and health care personnel to provide treatment, services and transport necessary to maintain the health of the participant. In the event medication, medical advice, treatment and/or equipment are required, I agree to accept financial responsibility for fees in excess of provincial and or private medical insurance. I agree that the information on the application may be disclosed to such emergency and health care personnel. In the event of illness, accident, emergency, or any other circumstance requiring medical treatment, such treatment may be procured for the participant without legal or financial obligation to SBC. All known health issues have been stated to SBC. I will notify SBC if the participant is exposed to any infectious diseases prior to arriving at the facility.

5. I agree to adhere to all Saskatchewan Health Authority (SHA) or government regulations that are in place at the time of my participation. I understand that SBC has taken precautions and follows directions outlined by local health authorities to try to limit exposure to any contagious illness while I attend the facility and/or programming.

6. I understand the SBC has the belief that God created two genders which are given at birth. For the sake of all programming, I understand that participants will be placed based on their birth sex. I understand that I can contact the leadership for discussion if there is a conflict.

7. Furthermore, I agree that I and the participant will obey all SBC rules and take full responsibility for behavior in addition to any damages caused to the facilities utilized by SBC.
